Sir:

In response to the Official Action dated July 7, 1998 having a response due October 7, 1998, which date is extended to November 7, 1998 by the concurrent filing of a Petition for a One-Month Extension of Time and the requisite fee of \$55.00 for the extension (small entity), please amend the above-referenced application as follows.

IN THE ABSTRACT:

Please amend the Abstract as follows:

11/02/1998 AMENDMENT 000004409182 containers that can be interconnected, for multiple uses of the type that,  
01 FC:215 forming a bottle or similar thing, of structure and materials usually developed for their  
disposal, essentially includes a bottom and lateral walls finished in a top wall. This top wall  
is prolonged in a neck delimiting an access mouth to an interior or the container that can be  
shut by means of a cover that is removable. The lateral walls, as do those of the bottom and  
top, possess means of lateral and top interconnection with other containers of similar  
characteristics, including compatible recesses and salients and of reciprocal fit through initial,  
but not continuous pressure.--
